Dear Mr. Mendrick,

At our recent board meeting we discussed our recommendation for your candidacy for Du Page County Sheriff. We were very impressed with your past service; 19 Year veteran of the Du Page County Sheriff's Office, 14 of those years of supervisory experience and 30 years as a resident of Du Page County.

We also looked at your dedication and commitment as you were a voting member on the Emergency Telephone Systems Board, which provides 911 service to Du Page County residents, managed the Sheriff's Office Accreditation Department and received 100% compliance from the Commission on Accreditation for Law Enforcement Agencies (CALEA) and awarded flagship status.

Additionally, we examined your other commitments as a Sheriff's Office Canine Commander, managed over ten different departments in the Sheriff's Office, served as Chief of Administrative Bureau and managed security of the courthouse. You have, in the eyes of the board, proven your commitment to Du Page County and the Sheriff's Office.
